## COUNTY SEAT NEWS.

(Special Correspondence)

The work on the bridge which is being constructed across the Gasconade east of here is being pushed rapidly and the Kansas City Bridge Co. expects to have it completed within 60 days.

The old water tank at the county jail having become defective, it was torn down last week; it will be replaced by a new one within a few days.

Webb Claxton, county highway engineer, called a meeting of the road overseers of the county to meet here Saturday, as directed by the road law. Most of the overseers were present and were instructed as to methods of road work and other matters pertaining to this subject.

Ralph Simmons and wife of Tulsa, Okla., arrived Sunday for a few days' visit with their parents.

The county court will convene on March 18 to make a settlement with Collector Dennis.

County Clerk E. G. Purtle and Deputy Roy Curtis are busy now making the 1913 tax books.

Dr. F. H. Riley, the dentist from Mansfield, is here this week filling his regular date. The doctor is kept busy while here.

Howe Steele and Roy Avery returned the first of the week from St. Louis where they have been buying their spring goods for the Cash Store Co.

The Good-Alexander Co. is putting on a play this week at the Johnston opera house.

Miss Garfield Carter, who has been in Springfield the past month, studying the latest styles in millinery, returned home Friday.

Mat Massey, a prominent farmer of Elk Creek township, was in the county seat Friday.

New fixtures have been installed in the brick building on the east side of the square, formerly occupied by the Johnson & Ellis hardware store, which adds greatly to its appearance. The Cash Store Co. will occupy this building after this week.

Hartville has three applicants for the postoffice who are pushing their claims for the appointment. All three are good Democrats, but we cannot say who will be the lucky man.

The examination for teachers held here Saturday was well attended, but not so many as usual attended, on account of Superintendent Carter's holding one at Norwood also on the same day for the convenience of the teachers on the south side of the county. Mrs. Carter, wife of the superintendent, conducted the examination at this place.

The Johnston Opera Troupe left Saturday for Grove Springs, where they staged their play that night to a well-filled house.

Brick work has been resumed by Mr. Marshall and his force of hands on the Wheel building, which will be occupied as a furniture store when completed. It will be quite an addition and improvement to the business district of our little city.

Most of the business men of our city met at the Johnston opera hall Friday evening and organized a Young Men's Business Association, and elected the following officers: President, C. F. Evans; secretary, G. W. Summers; treasurer, Bert Ellis. The association will hold its regular meetings on the first and third Wednesday evenings of each month. A committee was appointed to draft the by-laws. This means a long step in the right direction.

## ATTENTION

All members and those wishing to become members of the Young Men's Business Club please be present at the next meeting which will be held in the G. A. R. Hall Tuesday evening, March 18.

Plans will be discussed for raising more money to provide ample funds for first class park improvement.

Dr. F. H. Riley, the president of the club, has another scheme to present to the club. It is called the Klondike Gold Digging Contest, and he expects to erect a tent in the park and have the entertainment on a Sunday afternoon, so that the farmers and all can attend. A real gold digging contest will be on the program, together with band music and other amusements. This promises to be even more exciting than the blind auction—and it will take place in the afternoon so that all may attend. Do not fail to attend the club meeting and hear the plan. It will interest you.

If you are not a member of the Young Men's Business Club you can become a member by paying 25c, the monthly dues.

Don't forget—G. A. R. Hall—Tuesday evening, March 18.

## SPECIAL EASTER EDITION

The next issue of the Mansfield Mirror will be a special Easter number with a beautiful cover in colors appropriate to the Easter season. This handsome cover has been secured by us a considerable expense, but the best is none too good for Mansfield and we secured the prettiest cover we could find. This issue will make an exceptionally good advertising medium and we hope to secure a good line of advertising for this issue. Bring in your ads or telephone us—and we will see you about it.

## ANOTHER FARM SALE

Cyrus Elliott, a former resident of this community, who recently returned from Iowa, has bought of J. L. Frost 40 acres 5½ miles northeast of Mansfield on the new Mansfield-Hartville road and will occupy the same. Mr. Frost ordered bills at this office for a public sale March 25, after which he and his family expect to locate at Greenfield, Ind. We regret to lose these estimable people from Wright county but wish them prosperity in their new home.

## NOTICE OF MASS MEETING

Police Judge  
One Alderman from each Ward  
Done by order of Board.  
J. W. BRAZEAL,

## NEW BARBER SHOP

W. H. Hart of Bartlesville, Okla., has opened up a barber shop in the front room over the Steve Yates store. Mr. Hart was formerly engaged in the barber business here and has many friends who are glad to see him return to Mansfield. His family, who are now visiting relatives in Douglas county, will arrive here next week.

We welcome Mr. Hart and family to Mansfield.

## BURNED TO DEATH

The 8-year-old daughter of Fred Tretton and wife, 3 miles east of Olathe, was burned to death Tuesday. The little girl was in the yard near a bon-fire about noon when her dress caught fire. Medical aid was summoned but she was so badly burned that death soon resulted. The bereaved family and relatives have the deepest sympathy of our people.

## N. J. CRAIG HAS SOME MONEY THAT HE DESIRES TO LOAN ON GOOD IMPROVED FARMS, IN EITHER WRIGHT OR DOUGLAS COUNTIES. Adv.

## MACOMB

Oats sowing seems to be the order of the day. The farmers are making use of these nice spring days.

There is quite a lot of sickness in this vicinity at the present writing.

The four-year-old son of A. L. Babb is very sick with congestion of the lungs and whooping cough and two other children of the family have the whooping cough. There are a number of cases of whooping cough in the neighborhood.

Misses Susie Findley and Virgie Baker were visitors at the home of A. L. Babb this week.

I. P. Martin is reported to be very sick with pneumonia.

Mrs. Virgil Frink of Norwood is visiting her father, I. P. Martin, of near Macomb.

W. H. Break, proprietor of the Macomb Mercantile Co., drove overland to Mansfield this week, but not in an auto.

Dr. L. T. VanNoy was called to the home of A. L. Babb this week to see his little son.

The citizens of Macomb and vicinity are making donations for and building some good roads. We hope the time will soon come when everybody will become interested in good roads.

Mr. Dennis was buying cattle in this community this week. He paid Olean Findley \$135 for three cows and a two year old heifer. Frank Liggett bought a pig the other day, it seems like they all trade when they get to Macomb.

## HE DRANK BOOZE

Rube Killian was arrested Sunday by City Marshal Roe Strong for being intoxicated on the streets. About 10 o'clock that night he was released from the city jail but instead of behaving he created a disturbance and on complaint of Mr. Strong a state warrant was issued for him. Our city marshal always tries to do the right thing and give a man every chance to behave himself, but his sympathy ceases when a man continues to make himself obnoxious. Marshal Strong endeavors to use good judgment in handling his prisoners, but when patience ceases to be a virtue he acts accordingly. He does what he says he will do, as those who persist in defying the law soon find out.

## CITY COUNCIL

The city council met in regular session Monday evening. The resignation of Police Judge J. K. P. Coday was accepted. Dr. J. A. Fuson and A. E. Brown were recommended to the county court for appointment as road commissioners in this district.
